

To: Presidents of Member Association
Date: February 3, 2017
From: The Nominating Committee
Subject: Nomination for President-Elect of NYSCEA 2017-2019

According to the constitution of NYSCEA, we must elect a President-Elect to serve for two years from a list of candidates to be presented by the Nominating Committee at our Spring Business Meeting.

Enclosed is a form to be completed by an organization wishing to place a person's name in nomination. The information form should be completed and returned as indicated below on or before Friday, March 24, 2017 so that the list of nominees can be sent to all the members before the May 5, 2017 Delegate Meeting.

Any member of the organization may submit the name of a qualified applicant to the committee, but must be sure to have the form completed and signed by the nominee.

This is your opportunity to help the organization continue the fine leadership that has been provided in past years. Because of the critical nature of the role each officer assumes as a member of the Executive Board, we are seeking candidates from a maximum number of member associations. Any member of any organization may be nominated for office, but an officer of NYSCEA cannot be the voting representative for the member organization.
